M. M. ESTEE CHOSEN

NOMINATED FOR GOVERNOR BY THE REPUBLICANS OF CALIFORNIA.

Tariff and Other Policies of the National Democracy Denounced and Woman Suffrage Indorsed.

SACRAMENTO, Cal., June 20 .- Morris M. Estee, of Napa, was to-day nominated for Governor by the State Republican convention. None of the other candidates made a strong showing, though there was some opposition this morning. A test vote came on an amendment to the report of the committee on order of business, which was offered by the anti-Estee men. The amendment provided that the nominations for justices of the Supreme Bench should be made before that of Governor. The Estee men opposed this and defeated the amendment by a vote of 498 to 347. This showed Estee's strength.

The platform adopted by the convention indorses the national platform of 1892 and again indorses the McKinley bill. The nominees are pledged to make the State tax levy no more than 50 cents on a hundred dollars. The repeal of the federal election law by the Democratic Congress and the Democratic Hawaiian policy are and the Democratic Hawaiian policy are denounced. The Wilson bill is condemned as a sectional attempt to injure the pro-ducers, manufacturers and laborers of the Nation and a corrupt surrender to the trusts which will result in raising the price of the necessities of life and at the same time constantly increase the deficiency in the national revenue, which deficiency will be met by such odious war measures as the income tax and increased internal duties. The treatment accorded sallors and soldiers by the Interior Department in payment of pensions is denounced as an insult. The scheme to place wool on the free list is condemned, and a demand made that this great industry be guarded by appropriate legislation from unfair competition with foreign countries.

The silver plank is as follows: "We fa-vor free and unlimited coinage of silver at a ratio of 16 to 1, and the making of silver, as well as gold, legal tender, in payment of all debts, both public and pri-vate, and we pledge our congressional nominees to support the principles con-The immigration plank is sweeping. It

demands the enactment and strict enforcement of such laws as will absolutely and effectually prohibit the immigration of all foreign laborers, both skilled and unskilled, into this country.
Government aid in the construction and

management of the Nicaraguan canal is demanded, and a competing transconti-nental railroad to San Francisco and competing lines throughout the State favored. Mob violence and anarchistic outbreaks are denounced and protection for life, lib-

erty and property demanded.

The enforcement of the Chinese exclusion act and other legislation looking toward the removal of the Chinese from the country are demanded, and the action of the President in suspending, thus practically nullifying wholesome legislation, and his attempt by treaties with the Chinese minister to abrogate the same, is denounced. The woman suffrage plank is as follows "Believing that taxation without representation is against the principles of gov-ernment, we favor the extension of the right of suffrage to all citizens of the United States, both men and women. After the platform had been read and adopted the convention proceeded to make nominations. M. M. Estee, of Napa; State Treasurer John McDonald, of Stockton; Gen. N. P. Chipman, of Red Bluff, and E. W. Preston, of San Mateo, were placed in ination for Governor. There was a stampede in Estee's favor and he was nominated on the first ballot. The vote was: Estee, 661; Chipman, 87; McDonald, 76; Preston, 18. The convention then adourned until to-morrow.

J. B. Clay Opposing Breckinridge. LEXINGTON, Ky., June 20 .- James B. Clay, a distinguished ex-confederate and grandson of Henry Clay, in an authorzed interview, to-day, sustains the position taken by General Basil Duke. He "So much is being said about General Duke's offer of support to Major McDowell, should he make the race for Congress against Colonel Breckinridge, that some persons seem to think he stands alone among confederate soldies in that respect. This is not so, for several weeks ago I called on Major McDowell and asked him to make the race in case of Breckinridge's nomination. I told him that I was one of several confederate soldiers within my personal knowledge who would not only vote for him but would work for him

should he run.' Sang a Religious Hymn. WACO, Tex., June 20 .- The State convention of the party of the people was called to order at 10 o'clock to-day by Chairman Ashby. The hymn "Jesus, Lover of My Soul," was sung by the audience, following which, President Riggins, of the Commercial Club of Waco, delivered the address of welcome. H. S. P. Ashby was elected temporary chairman, with C. H. Jenkins as secretary. The usual committees were then appointed and the conven-tion adjourned until 2 o'clock. The afternoon was taken up by wrangling and nothing was accomplished.

McKinley's Candidacy Indorsed. WARREN, O., June 20 .- The Nineteenth district Republican congressional convention, held here to-day, renominated Congressman S. A. Northway by acclamation. Resolutions favoring the nomination of Governor McKinley for President in 1896

TO REORGANIZE THE ATCHISON.

Plan of the Committee of Bondholders-Foreclosure Probable.

NEW YORK, June 20 .- The plan of reerganization of the Atchison, Topeka & Santa Fe Railroad Company has been submitted by the reorganization committee. The plan contemplates foreclosure, either under the general mortgage dated the 15th day of October, 1889, or under the second mortgage, dated the 1st day of May, 1892, securing the so-called A and B bonds, and the formation by the purchasers at such sale of a new company, which will be freed from all the obligations of the present company, except such as are prior to the mortgage foreclosed, or are assumed by the new company. If foreclosure is had under the general mortgage, the new company will provide for the payment of past due interest on the general mortgage bonds and will issue new bonds to the holders of the general mortgage bonds, such new bonds to have the same lien and to be the same in term as the old bonds. If under the second mortgage, the new company will provide for all past due interest on the general mortgage bends and will also assume the payment of the principal and interest of such bonds. The company will issue \$102,000,000 of capital stock.

TOLEDO KNOCKED OUT AGAIN IN A BEAUTIFUL GAME.

Exciting Work at the Finish-Fourth Straight for Indianapolis-Southern League Pitcher Signed.

The six hundred people who, in the face of an impending storm, went to the ball grounds yesterday were rewarded with what was, by all odds, the prettiest and most exciting game of the season. They also had the satisfaction of seeing Indianapolis win its fourth straight game by again defeating Toledo. The contest abounded in good playing and excitement, and was not out of danger until the last man had been retired in the last half of the ninth inning Both Camp and Hughey were effective, but the former had a shade the best of it, and, although in the seventh inning he forced in a run with a base on balls, he kept his head, and, with the bases full, retired the side without further damage. It was a critical moment, and pretty nearly everybody was ready to give it up right there. Aside from the excellent pitching, the principal fielding features were a fine running catch by Dalrymple of Miller's short center-field fly in the fifth and Carney's good stop of Dalrymple's hard hit grounder in the same inning. Camp was admirably supported, the home team's only error being Westlake's fumble in the third. Gray's leg is still bothering him, and Westlatke had to play third again. His general work at that base was not so bad, as he accepted three of four chances. Still, it is to be hoped Gray will be able to resume his position to-day. Shields played a nice game at second, and the outfield work was fine. Toledo's work in the field was good up to the eighth inning, when three of their five errors, aided by some lucky hitting, won the game for Indianapolis. After three innings had been played play was suspended on account of the rain, which was coming down pretty lively. It cleared up, however, within half an hour, and the game proceeded without further interruption.

With Murphy out in the first, Henry was sent to his base on balls, and stole second with the assistance of a passed ball. Motz hit to short, but the ball took a bad bound, sending Henry home. Motz stole second, getting a life on Connor's drop of the catcher's throw to head him off, but was left there, Dalrymple and Westlake flying out to McFarland. In the second inning Mills hit to right for a home run, the ball taking an ugly shoot away from McFarland. Leidy and Shields were easily disposed of, but Camp hit safe to right. Murphy's grounder to Connor, however, forced him out at second. Henry led off in the third with a single to center, and Motz followed with a clean three-base hit along the right foul line, sending Henry home. Dalrym-ple's sacrifice scored Motz. Westlake flew out to Gilks and Mills got a base on balls and stole second, but Leidy struck out, leaving him there. Toledo did nothing to speak of until the third inning, when, in a driving rain, they picked up their first two runs. After Hughey had gone out on a fly to Henry, Hatfield hit to left for a single. Gilks went out from Westlake to Motz, and Miller should have made the third out, but Westlake let his grounder travel on into left field, and Hatfield came around home. Carney drove a hard one to around home. Carney drove a hard one to left, which scored Miller, but the Toledo captain was caught trying to make two bases on the hit, and run out on the line. The game was then called for nearly half an hour, at the end of which time, the rain having stopped, a wheelbarrowful of saw-dust was dumped into the pitcher's box and

playing was resumed. For the next four innings Hughey's ex-cellent pitching and good support prevented Indianapolis from scoring. Meanwhile Toledo, in the sixth and seventh innings, scored three runs and took a slight lead. In the sixth inning Carney, who was the first man up, hit to right for a clean home run. The next three batsmen were retired in order. The seventh was the inning which made the crowd hold its breath, and Indianapolis got off very easy, con-sidering everything. Summers led off with a hard drive to left for two bases, and Hughey planted a single in the same direction, sending the catcher home. Hat-field, after two strikes, got his base on balls, and Gilks's little single filled the corners. With nobody out and the bases full, the gloom that settled over the crowd was indescribable. The only noise that could be heard was the continuous and tire-less coaching of the Toledo men, who thought their opportunity had come to nail the game good and fast, and the shrill, monotonous cry, "Peanuts, chewing gum, cigars." Miller stepped to the plate, and it was dollars to doughnuts he would hit the ball safe. To the crowd's delight, however, he made three ineffective lunges at the sphere, and walked in a dazed sort of a manner to the bench. After a wild out-burst the crowd resumed holding its breath, for Carney, who had made a home run the inning before, was at bat. After a moment or two of suspense the Toledo cap-tain popped up a high foul fly to Murphy, who made a great catch of it, and another triumphant cheer went up from the now somewhat hopeful spectators. There was a groan of anguish, however, as Connor was sent to first on balls, forcing in Hughey, which gave Toledo the lead, and which, at that stage, seemed worth half a dozen in the earlier innings. The bases were still filled, when Niland hit a wicked grounder to Westlake, who caught Hatfield on the line, and as the two men rolled in the mud together, Westlake falling on the To-ledo player, the umpire called "Out," and

When Mills started the eighth with a safe drive to center everybody took heart. Leldy flew to Miller, but Shields hit a fast ground ball which went right through Niand into left field and sent Mills to third. Camp then got a base on balls, and the conditions of the previous exciting inning were reversed, it being Indianapolis's turn to smile this time. Murphy then drove a long foul fly to right field, which McFarland made the mistake of his life in catch-ing, for Mills scored the tie run on the out and the other men each moved up a base. McFarland threw home, but the bounded high over the heads of the Toledo players who had run in to back up, and Shields crossed the plate before they re-covered it. Here is where the pent-up enthusiasm of the crowd let go, and there was no immediate cessation, for Henry lifted a long line fly to right, which Mc-Farland misjudged slightly. When he recovered himself he made a hard effort to get it, but the ball struck the ground in front of his outstretched hands, going far beyond him. Camp scored and Henry took three bases on the hit, coming right in when McFarland made another throw that, like the first, bounded over the uplifted hands of the Ohlo men. Motz got a base on balls, but Dalrymple lifted a foul fly to catcher and the fun was over. Sharp playing in the last half of the eighth prevented Toledo from getting anybody to base. In the ninth Westlake got a life on Connor's must of his little fly back of second, for which three men ran, causing the error. He was almost immediately doubled, however, by an execrable attempt on the part of Mills to bunt, the ball going squarely into the pitcher's hands, an easy fly, and being thrown to first in time to catch Westlake. Leldy was sent to first on balls and Shields fouled out to catcher. There was a moment of excitement in the last half of the ninth, when Hatfield led off with a safe hit to left. "Oh, we're still in shouted Captain Carney, but the words had hardly left his mouth when Gilks hit a fast one to Mills, who threw to Shields, the latter sending the ball to Motz in time to complete the double play. Miller bunted the ball and came very nearly beating it out, but Camp hustled over, picked it up and let it go like a shot to Motz, and the

A Disputed Game.

GRAND RAPIDS, Mich., June 20 .- Umpire Baker spoiled the game this afternoon. His decisions were erratic from the beginning, but mainly in the visitors' favor. The crowd "reasted" him uproariously, and then he apparently tried to square himself. In the seventh, when the score was tied Pears cut past second base with out touching the bag. Billy George, in left field, saw the skip and had the ball passed to second base before any one else knew what he meant. Pears was declared out. Detroit kicked, refused to play, and Baker gave the game to Grand Rapids, 9 to 0. Detroit gave notice of protest. Attendance,

ANOTHER PITCHER SIGNED.

Donnelly Secured from the Southern and Will Be Here To-Morrow. Frank Donnelly, who has been pitching for the Macon club, of the Southern League, has been signed by Indianapolis and will report here Friday. The management was in telegraphic correspondence with him yesterday and his terms were accepted last evening and advance money wired him. He will join the club at Toledo Monday, putting in the interval by practicing at the grounds here. The Macon and Sayannah have both gone under and that is how Indianapolis secured the new pitcher. Some time ago Manager Sharsig tried for him, but Anson, who had him with Chicago part of last season and a few weeks of this, let him go to Macon. Donnelly had a lame arm last year, but has been all right in the South and pitched good ball there. It was about the time that Anson let Clausen go to Detroit that he shipped Donnelly South, the move being made because Griffith, another of the Chicago youngsters, had pitched a fine game against Pittsburg, and was thought to be the most promising of the lot. If the Southern League breaks up Indianapolis will probably fall heir to another pitcher and an infielder, who is said to be away up in his class.

The deal for McCarthy is practically closed and he will join the team at Grand Rapids. From the ball it is playing and the new men being signed Indianapolis is evidently determined to get right into the

Last Game Until July 4. The game to-day with Toledo will be the last until July 4, for the Indianapolis team starts this evening on another trip. It will be called at 3:30-half an hour earlier than usual-in order to let both clubs get away at 6:30. Cross will pitch for Indianapolis and Foreman for Toledo. The latter, by the way, was fined \$5 by Umpire McDonald yesterday for back talk when ordered from the coaching line at third base. Cross won his last game against Toledo. It was his first appearance in Indianapolis, and the visitors found him a puzzle, getting nine hits off him. Foreman was pitted against him then, and was hit safely eleven times. With Gray back at third, the eleven times. With Gray back at third, the Indianapolis men should make it three straight from the Ohio aggregation. In fact, they should do it anyhow, and they probably will.
